Dear Emily Ann -

Today I'm going to the market with my cousin Sofía. I have to buy a birthday gift for my mom. She wants a black pot. I don't know what price the pot has, but Sofía says that I'm not going to pay more than 70 pesos. If Sofía is right, I am going to have enough money to buy something for my dad, too. He prefers leather goods. So... (therefore) I'm going to buy a wallet or a belt for him. ¡Wow! It's 8:00. I have to go. Sofía is waiting for me.
